

Fossil Rim Wildlife Center

Pricing Structure

This calendar of admissions prices is provided for your convenience. We hope it is useful. In assessing our prices, please consider the following:

- Fossil Rim is a private, independent non-profit entity, which does not receive any subsidy from any level of government. It has to pay its own way.
- Fossil Rim's achievements in wildlife conservation, in particular the re-introduction of wildlife extinct or almost extinct in the wild, are world-renowned. You may not see this work on a self-drive visit, but you will see it if you take any of our specialty tours, stay overnight at our lodgings facilities, receive our free monthly e-newsletter (which you can subscribe to from our website), or participate in our educational programs.
- Fossil Rim offers the special experience to see, smell and even touch nature. The natural world and free roaming wildlife dominate the hilly landscape. It's refreshing and invigorating. You'd need to visit a national park or go on a safari overseas to experience this.
- We would love to have you visit FR, where you can avoid the concrete and asphalt setting and jostling on foot with 1000s of other people found at most city amusement venues. Out here in the clean air and green spaciousness of Texas, Glen Rose and Fossil Rim offer something very different and refreshing.
- It's cost more to come to Fossil Rim on a Holiday, including Spring Break. This is a direct result of the additional staff and supplies required.
- We at Fossil Rim would like to point out that if you buy a membership for you and your family, the price is the same year round and gives you unlimited admissions throughout the year. It's our way of helping you beat the gas prices!
- Fossil Rim does accept all major credit and debit cards.
